Objet : CMM 2017-02 - Notification of Papeete as single port for foreign fishing vessel transit

Mr Executive Director,

France is a contracting party to the FAO Port state measure agreement to prevent, deter and eliminate illegal, unreported and unregulated fishing (FAO PSMA) and fulfill its obligation under this agreement including provisions regarding port entry, levels and priorities for inspection and flag state notification.

Pursuing the implementation of WCPFC CMM 2017-02 establishing minimum standards for port states measures, I hereby notify to the WCPFC commission of the decision of French authorities to designate Papeete (French Polynesia) as single port for foreign fishing vessel transit.

Yours sincerely,

Le Directeur Adjoint
des Pêches Maritimes et de l'Aquaculture
